Alexandria, VA 22313-1450

**Re: Application No. 09/924,666  
Request to Rearrange Order of Inventors**

Dear Commissioner:

Please rearrange the order of inventors listed on the above-identified patent application so that Nicastro is first and any issued patent reads "Nicastro et al." The patent office suggested that we prepare this letter to accomplish the repositioning of the listing of inventors.

WMS Gaming Inc.
